having started his work in 1888. He is a graduate of the Chicago Theological reminary, with the degree of D. D. from that institution. His undergraduate work was at Amherst.

The Psn-Pacific club will join with the Sons of the American Revolution in tendering the reception to the distinguished visitors as announced a few days ago, and the regular weekly iuncheon of the club will not be held on that date. This will be the second time that the local S. A. R. has entertained Ambassador Guthrie, a for-

Charges of \$10.50 a ton are now said to be in effect on steamship freights from the United States to Rio de Janeiro, with sailing rates \$7.50 a ton.

The Maison steamer Lurline is at Kahulul today. She will return here Sunday and sail at 4 o'clock Tuesday afternoon for the mainland.

The liner Great Northern will be piloted by Captain Paulsen, until recently skipper of the North Pacific boat Homer. Captain Paulsen has just been appointed pilot of the big steamer.

Of them are between 25 and 40 years old. They are returning after having ammased what to them are considerable fortunes. It is the characteristic of Chinese that these "wealthy" men are taking passage in the steerage.

These passengers say that any Chinese who attempts to return home aboard a Japanese ahip will be ostractized by his countrymen both in force when the Titan reached Yokohama. One of the passengers tried to buy a bottle of lemonade from a Japanese merchant who had come aboard the ship. When the other Chi-

The strenuous effort by the Japanese since the war to increase their trade with Australia is gradually bearing fruit. Orders are coming from Australia rapidly new, according to the Japanese merchants are working to acquire business in the Commonwealth, the merchants of that country are working toward that ob-

ject in Japan.

The Hitachi Maru of the N. Y. K. Australian line, which left Yokohama for Melbourne and Sydney recently, carried a large consignment of miscellaneous Japanese commodities. There were 1300 tons, this being the record cargo of any steamer bound for Australia from Yokohama. Included in the cargo was a large slilpment of bamboo baskets, paper, lacquer ware, porcelains, camphor, beer, cot-ton and slik fabrics. The boat also carried various kinds of Japanese toys, Christmas presents for Australian children. The orders for these toys were placed by several Australian lock. nerchants who have been in Japan

The Hitachi Maru will also carry a laid today on Allen street, at both sides of the present stretch in front of the U. S. army dispensary and waregovernment, as well as the banks, and because of the prospects for increased because of the prospects for increased trade several Japanese merchants left for Australia on the ship. One of them is Mr. Sudzuki, who is engaged in the silk business. He said that Japan is selling to Australia silk worth 4,000,000 yen annually. If encouraged properly Japan can sell much more silk to that country, he
